WELCOME TO STUDENTS

A FETTER PROSPECTS GOD; MEN REED TO TRY V FOR FOOTBALL

Many Married Men on "V" Squad: Great Fighting Team Expected.

The most important and greatest athletic year in B. Y. U. history is about to begin. Coach Roberts and Tardiff are saying awake night planning about the numerous victories which they hope the Cougars will bring to their fair. The appointment of Ralph E. Becker as graduate manager will bring joy to the hearts of many. The student veterans of many "V" battles has entered into unity with his characteristic enthusiasm.

The football season is here. Every man in the school has been invited out for practice. This season the Cougars will have a new look. Conference football, and are now ready to full-field, and are now ready to full-field, and are now ready to full-field.

The battles this season will be fought on the field. The Cougars will be fighting on the field. The Cougars will be fighting on the field. The Cougars will be fighting on the field.

Unoubtedly the Cougars are facing an excellent season. The team is strong and healthy. The team is strong and healthy. The team is strong and healthy.

Football will also come in for its share. Last season the B. Y. U. Cougars (Continued on page 3, col. 5).

CAMPUS FUND REACHES \$4,000

A drive for a fund to beautify the campus of the school began in Provo August 26, under the direction of A. Rex Johnson. Teams of students were organized throughout Utah and Washington counties, which solicited \$1000 from each of the 100 "V" students who were in the district assigned them.

Forty teams worked in Provo, about 200 in Salt Lake City, about 100 in Park, about 100 in Panguitch. And succeeded in raising about \$4,000.

The little negative criticism of the project. In fact it received the approval of the progressive business men throughout the two counties. Last money is rather tight, but the fund did not go quite as high as in last year's.

The money raised will be used to pay for the cement work on the hill which is a present nearly completed.

MERRILL J. BUNNELL, Student Body President

"I am very glad to welcome back, this fall, all the students who have been here before, and to extend the welcome of the student body to those who are here for the first time."

The student body officers would like to all feel at home, and asks you to consider yourselves an active part of the whole.

The thing which claims our attention at the present time is football, and this activity will receive our consideration for the time being. We ask all the men who are able, under any conditions, to go out on the field for this sport.

MERRILL J. BUNNELL, President

HOYT BACK FROM TRAVELS ABROAD

"This is the Celestial Kingdom," Professor H. Hoyt declared when he arrived in Provo after a summer's visit in Europe. "This is the land of the living." Hoyt, who has been in Europe for the last year, has been in Europe for the last year, has been in Europe for the last year.

Professor Hoyt has spent several years in Europe, and has been in Europe for the last year, has been in Europe for the last year, has been in Europe for the last year.

He is now in Provo, and has been in Provo for the last year, has been in Provo for the last year, has been in Provo for the last year.

President F. S. Harris

"Hello Day will be held next Friday at the B. Y. U. Every male and every man will come to the institution with his holiday smile of 'I know you' and will be expected to wear it all day and hereafter until next year. This greeting of 'Hello' will be used to greet each and every 'I've' whom he meets."

When all old students become acquainted with all the new students and all the new students become acquainted with all the old and new students of the school.

Introductions are not necessary. They are rather out of order for everyone knows everyone else and is expected to give him with 'Hello'.

The big features of the day will be the student body program at 11:30 a. m. and the handshaking at night.

The student body program will feature the introduction of the student body officers' second vice president, Clarence Jensen will be in charge.

The program is as follows: Hello song, led by Art Ballif; Prayer, led by Bob Nutter; College Song, led by Merrill Jensen.

Students Body, Pres. J. Bunnell; Song, led by Faculty Quartet; Introduction of Student Body Officers.

Talks: Art Ballif, Student Body President; Bob Nutter, Student Body Vice President; Clarence Jensen, Student Body Vice President.

Handshaking will be held at 11:30 p. m. and will be expected to wear it all day and hereafter until next year.

ALL MEN OUT FOR FOOTBALL

GREAT MANY NEW TOWNS REPRESENTED. STUDENTS FROM ILL. AND GEORGIA

"And still they come," said Dr. F. S. Harris, as the total registration was called in this afternoon. The total registration, however, exceeded that of Tuesday night last year by thirty. There were one hundred and fifty more college students registered than at the end of the second day last year.

Students can be found in the enrollment this year from East Illinois, Illinois, Atlanta, Georgia, and many of the southern states in Arizona. A great many from Colorado, and Nevada.

Naturally, Provo led in the enrollment with a total of about 250, Springfield was second with about 200, Spanish Fork third with about 40, and other Utah County towns with smaller numbers, among them, the towns that begin with "S" sent the greatest number of students except towns beginning with "T" and Provo was the only town beginning with that letter from which a great many were registered.

Richard Beaver, Caldwell, Price, Norris, St. George, and Cedar City were well represented. The unique thing about this year's registration is not the fact that the registration was called in this afternoon, but the fact that the students came from so far and that so many new settlements.

Three ladies came to us from East. Miss Jones from Moline, Illinois, and came to the B. Y. U. because she wanted to come to a well-learned school, the state.

From Atlanta, Georgia came two girls, daughters of the President of the mission there. They have been to school before but this year to much as the fact that the students came from so far and that so many new settlements.

Dr. Harris expressed the opinion that our registration will far exceed that of other years.

EVYING RETURNS FROM SCOUT MEET

Dr. Carl F. Evying, scout commissioner of the Timpansago District Council, returned early this week from Estes Park, Colorado, where he has been in attendance at the Third Biennial Conference of Scout Executives of America in company with Scout Executive A. Anderson. Executive Anderson will not return until Friday.

Dr. Evying reports that the conference was the largest that has ever been held in America, and that the largest it was the most enthusiastic and the most successful in its session. Dr. Evying had to return early in order to be present at the registration of students at the Brigham Young University where he is the student body president.

Programs were held throughout the conference. Each day Dr. George J. Fisher, Assistant Scout Executive of the National Council, gave a ten-minute address to the students. The conference during the preceding twenty years.

To the Student Body

The faculty is pleased to see that many a great number of the old students have returned; we are also glad to welcome so many new faces. We feel that we are entering on the greatest year in the history of the school, and we hope that all the students will extend to each other the hand of fellowship so that we may all work as one united family in the higher standards of learning, culture, and character.

The Brigham Young University has always been noted for two things: a fine spirit among the students, and an excellent quality of school work. I am sure that those who are coming here for the first time will uphold our standards in these respects.

We pride ourselves on being an institution practically without rules; we simply expect every student to be a gentleman of a lady, and leave largely to each individual the responsibility of doing this as best he can.

We are proud of the students who have attended the institution during the past, and we are looking to the present student body to be just a little better than that which has ever been here.

All of the faculties of the institution are yours to use for your advancement.

Cordially yours, F. S. HARRIS

"WHITE AND BLUE" AND "Y'S GUY" CUT

The "White and Blue" and the "Y's Guy," two student publications, will not be published this year. The student body council's action was based on the fact that owing to the great drain which is actually being put on the student body, it would be unwise to attempt the publication of these magazines.

The student body officers expressed their regret that the student body council's action was based on the fact that owing to the great drain which is actually being put on the student body, it would be unwise to attempt the publication of these magazines.

WHAT MAY WE EXPECT?

The beginning of the term of office of a new administration in the student body makes all the old students wonder what changes will be made in the policies and activities of the student body and new students, at least those who are thoughtful, wonder what are the general problems of the student body government and how the particular administration will meet them.

The "Y News" will attempt to forecast the things which can be expected of the officers, having the speculation on pre-election promises.

The greatest problem of the student body is the problem of finances. About twelve thousand dollars are handled each year by the organization. The president, now in office, promised strict adherence to the budget system, which has been used for the last three years, as the best method of handling this money. The money, then, will be handled by the finance committee and all departments will

The promise of support of "Fresh" rules, has been met, the rules drawn up and their enforcement started. These rules are not enforced with the idea of submerging the Fresh in the least. The officers feel that they are in no way a hindrance to the student body privileges of the freshmen. They are to be enforced primarily for the benefit of the freshmen themselves, and with the idea of building solid and good class rivalry, to aid in the stimulation of student body spirit.

The present administration places itself squarely behind the traditions of the school. Recognizes that we have but few traditions, and holds them sacred. It would seem that behind the promise regarding these matters there is no tendency to see our greatest traditions overrun as they have often been in the past for the sake of some momentary matter or improvement which could be accomplished just as well, if the traditions were kept. It is hoped that this promise will not be overlooked for a moment. We do not want our "Y" to be as dirty another year as it has been the past. The other traditions are as worthy and should claim the greatest support of the present administration.

There are some other promises that matter little. Things which will be set aside or put in force as the time for them approaches. The time of elections last spring was too early to determine these matters. Like so many election promises they are put in the platform to sound good.

It is the desire of the officers of the student body this year is to unite with the students to satisfy their desires, in every way possible. They ask for the expression of the opinion of the students regarding activities, and will do everything that they can to satisfy the majority.

BUSINESS HANDLED BY STUDENT COUNCIL

The Student Body Council met Monday night at 8:30 and began its business.

After a short discussion Elwin Potter was appointed Business Manager of the "Y News"; he succeeded Mr. Stanley R. Dean, who will not return to school this fall.

It was decided to charge fifteen cents or two for twenty five cents for dance programs at the student body dances this year.

The date for the clearing of the "Y" by the frosh was set for September 27th, or one week from next Saturday.

Ardell Ballif was appointed as chairman of the frosh rules committee to succeed Mr. Mark Messer, who resigned because of the "Y News" work. Mr. Messer is to remain in charge until Mr. Ballif returns to school.

Because the Student Supply has been so neglectful in ordering the bands for the freshman girls, it was decided to get one-half inch ribbon instead.

Professor Robert Sauer was appointed director of the student body dance orchestra with the provision that he hire students to play, whenever possible. It was also decided that the music manager, Mr. Harfen Adams, would work with Professor Sauer in the selection of music and orchestra pieces.

It was voted that the student council go on record as not favoring the publication of the "White and Blue" and the "Y's Cup" this year. The

Dear Students:—
By way of introduction I am KODA VAN of the KODA VAN FILM SERVICE. I just wanted to call your attention to the fact that we do high grade KODAK FINISHING. Next spring when you return to your homes you will want a collection of pictures of the campus, your friends, hikes, school activities, etc. You will value these pictures highly, so you wouldn't care to have them fade out. We use only KODAK MAN VESSEL PAPER and the best tested chemicals, which assures you of absolute permanency.

Trusting you are our FRIEND,

"Not how fast—But how good"

"BY THE WAY"

What a summer of surprise! Just one thing after another, so to speak. We have been hearing of wild rumors that Almo Morley, our noble hero of last year's "Taming of the Shrew," is going to do a little private taming of his own record. We don't know whether this will mean much taming, but—well—it'll be good.

And what a shock it was when those odds of students who attended our school heard that Maud Dixon had committed marriage. They say that Fred is out preaching the gospel in the Eastern states while Mr. Markham spends his spare time teaching.

There's notice a change in our year's student body committee! Well that speaks for itself. But what we the good father in his very mind, in his very work? Oh yes, and we've heard that the first Miss Johnson also speaks for herself and without any delay. We wonder what method she uses to get her to bed speaking?

At last the deed is done. Owen Romney headed the advice of his younger brother, Golden, and took unto himself a wife. We know that this will come as a shock to everyone and in fact we think it did to Virginia. We have heard from good sources that she even said, "Oh, this is no surprise."

Yes, Golden Romney is married. He and Zina have been residing in Preston, Idaho all summer and we think the climate has helped them settle down. Or is it married life? As everyone knows, half of the students at the Young University get married at the end of every year and the other half get married at the end of the year.

We haven't forgot to mention Jiggs Jensen, who also has been trying the selling game. Although he didn't get a wife on the trip, it has been whispered about that more than one maiden has been left by the roadside. Jiggs is back to the garden city ready to go.

We can't forget very soon the great sound of weeping and wailing and gnashing of teeth that arose shortly after school closed when the graduation of the B. Y. U. students for various parts of the country. How many hearts were broken we don't know but Florence Friday and Evan Anderson both looked pretty much as if they were.

It seems that the marriage bug has overtaken further and further and even some that have heretofore seemed not at all susceptible have fallen under the spell of the dread disease. As for instance, in the case of our lately married Miss Waverly, no longer can she join the ranks of the unattached but must head the list.

Meredith, star staging and inevitably they ended their promenade in front of the windows of some furniture store. It seems that nothing has been left undisturbed, even Sears and Roebuck has been consulted.

Paul Harding was also as thorough as this with his preparations for the little love nest for Lucile Christensen. Lucile graduated from the "Y" a few years ago and even now she is a girl with only one husband—namely, Paul. However, we've heard that they are unhappily happy, and—well—that's what counts, you know.

Dr. Widtze has landed us his charming daughter, Gladys. We shall come to the city, Anne, we're glad to see you.

By the way, a remarkable change seems to have taken place in the domestic relations of the chief executive of our student body since he returned from Colorado. It is so wonderful what (or whose) influence could have worked such a change during his brief sojourn in that state.

Y.

Student Body Constitution

PREAMBLE
We, the students of the Brigham Young University in order to foster domesticity, to promote the welfare of the student body, to develop a character of service to the community, and to protect the rights of the student body, do hereby establish this constitution for the Brigham Young University.

ARTICLE I.
Name.
The name of this institution shall be the Brigham Young University Student Body.

ARTICLE II.
Purpose.
The purpose of this constitution shall be to protect the rights of the student body, to promote the welfare of the student body, to develop a character of service to the community, and to protect the rights of the student body.

ARTICLE III.
Officers.
The officers of this institution shall be the President, Vice-President, Secretary, Treasurer, and the Executive Committee.

Officers.
The officers of this institution shall be the President, Vice-President, Secretary, Treasurer, and the Executive Committee.

ARTICLE V.
Officers.
The officers of this institution shall be the President, Vice-President, Secretary, Treasurer, and the Executive Committee.

ARTICLE VI.
Officers.
The officers of this institution shall be the President, Vice-President, Secretary, Treasurer, and the Executive Committee.

ARTICLE VII.
Officers.
The officers of this institution shall be the President, Vice-President, Secretary, Treasurer, and the Executive Committee.

ARTICLE VIII.
Officers.
The officers of this institution shall be the President, Vice-President, Secretary, Treasurer, and the Executive Committee.

ARTICLE IX.
Officers.
The officers of this institution shall be the President, Vice-President, Secretary, Treasurer, and the Executive Committee.

ARTICLE X.
Officers.
The officers of this institution shall be the President, Vice-President, Secretary, Treasurer, and the Executive Committee.

ARTICLE XI.
Officers.
The officers of this institution shall be the President, Vice-President, Secretary, Treasurer, and the Executive Committee.

ARTICLE XII.
Officers.
The officers of this institution shall be the President, Vice-President, Secretary, Treasurer, and the Executive Committee.

ARTICLE XIII.
Officers.
The officers of this institution shall be the President, Vice-President, Secretary, Treasurer, and the Executive Committee.

ARTICLE XIV.
Officers.
The officers of this institution shall be the President, Vice-President, Secretary, Treasurer, and the Executive Committee.

ARTICLE XV.
Officers.
The officers of this institution shall be the President, Vice-President, Secretary, Treasurer, and the Executive Committee.

ARTICLE XVI.
Officers.
The officers of this institution shall be the President, Vice-President, Secretary, Treasurer, and the Executive Committee.

ARTICLE XVII.
Officers.
The officers of this institution shall be the President, Vice-President, Secretary, Treasurer, and the Executive Committee.

ARTICLE XVIII.
Officers.
The officers of this institution shall be the President, Vice-President, Secretary, Treasurer, and the Executive Committee.

ARTICLE XIX.
Officers.
The officers of this institution shall be the President, Vice-President, Secretary, Treasurer, and the Executive Committee.

ARTICLE XX.
Officers.
The officers of this institution shall be the President, Vice-President, Secretary, Treasurer, and the Executive Committee.

ARTICLE XXI.
Officers.
The officers of this institution shall be the President, Vice-President, Secretary, Treasurer, and the Executive Committee.

ATHLETIC PROSPECTS GOOD:
MEN URGED TO TRY FOR
FOOTBALL

(Continued from page 1, col. 1.)
nized the Rocky Mountain Conference in the hope of gaining the sanction of the National Football Association of America.

The school, which is located at the corner of 10th and Main streets, will return, while from every other school in the state, 250 athletes with high school fame will come to add last year's team to bring victory to the "Y."

Two years the state championship in wrestling has resulted at the "Y" halls. Swimming this season looks great, as the team is determined to gather every duck in school to aid in the winning of the state meet.

State champions in tennis, the B. Y. U. will endeavor to keep that title at the "Y" and "Black" has been the pet of the "Y" coaches for holding the permanent are very good and individuals will not lose their prestige.

Track and field events are always popular at the "Y" and this season with the increase in the size of the school, the coaches are confident of winning every territory with a winning team.

Football is the cry in every hall, office, and corner of the "Y" the big question is being put under discussion. The last answer to the question of "Will they win?" is "Yes," the "Y" Coaches are very confident in the confident tone of the coaches and all for victories this fall.

Last Year's Football Men Who Are Back

Elwood "Rip" Gledhill

Gledhill began his football playing under the name of "Rip" Jackson. At the end of his high school days he was known throughout the state for the consistent and hard game that he played. He won new honors as a center during his freshman year at the "Y". During his sophomore year he was sent to guard in the middle of the season. He has played at that position ever since. Gledhill was perhaps the most consistent man on the "Y" team last year, and won, by his steadiness, a great deal of recognition from coaches and officials. He was elected captain, by unanimous vote, at the football banquet last December. He knows the game better, perhaps, than any other man on the team, and will be sure to give the "Y" great service at other tackle or guard. In the four years "Rip" has played for the "Y" high school and college, he has never missed or been taken out of a game.

Orin "Bob" Howard

Howard came to the "Y" from Jordan, where he made himself famous for his all-round athletic ability. He was a four letter man in high school. Howard played on the "Y" Fresh team in 1922 as tackle. His work against the University of Utah Fresh in their annual game was so outstanding that he was immediately noticed by the coaches of the Varsity. Last year "Bob" played regular tackle on the Varsity eleven. He was on the same side of the line as Jackson. His playing last year gave him a great deal of recognition and he was given honorable mention in the conference for his consistency. Howard is a hard hitter and a great defense man. It will be no surprise to any of his team associates and most of his opponents, if he is given an all-conference position this year.

Hunter "Hunt" Manson

The man to make the "Y" first kick down. Full back on the varsity in 1922. Half back on varsity last year. He is a body and consistent, with plenty of speed, and a straight hitter.

Reed "Sigurd" Swenson

"Swede's" father is a prof. Swede began his football playing at the "Y" high school. Played end on the Fresh team in 1922. Last year he held down the position of end on the varsity. A good number and quick to get down the field.

Edwin "Eddie" Kimball

"Eddie" is one of the "Y" last men. Came here from Jordan, high. Played end on the Fresh team in 1922. Was a regular end on the varsity last year. A good number and quick to get down the field.

Paul "Apostle" Packard

"Pack" began his football career at Springville high. He played half on the "Y" Fresh team in 1921. Was Captain of the Varsity in 1922. Played half back in 1922. He is a hard line hitter and a good ground player.

Jess "Tara" Hullinger

Guard on the varsity in 1922. Last year was the first year that "Tara" ever played football and his showing was exceptional. An injury kept him out of the game during mid part of the season.

Wilford "Wick" Mendenhall

The son of the famous Wick played center in high school. Guard on the Fresh team in 1922. Guard on the varsity last year. He was recently married. Will be a good man if he takes football as serious as he did his wife.

Dunn "Sids" Taylor

Quarterback on the A. C. Fresh team in 1921. Quarter back and half back on the varsity last year. "Sids" received a lot of recognition for the work he did at quarter during the early part of last season.

Ross "Swen" Nelson

"Swen" is learning foot ball gradually, he has played a little for the last three years, but that he played out throughout the entire season. He looks good for an end.

Golden "Kid" Romney

The kid got his first introduction to football last fall. His 200 pounds of bone and muscle are greatly to his advantage and great things are expected of him this year, unless marriage interferes.

Cornell "Pete" Mendenhall

From Springville, Utah, back on the varsity last year. Pete is a body player and a good defense man. He will be a good man if he takes football as serious as he did his wife.

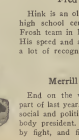

Barnard "Slippery" Bowman

Bowman was on the "Y" Fresh team in 1921. Quarter back and half back on the varsity last year. "Slippery" received a lot of recognition for the work he did at quarter during the early part of last season.

Fred "Fritz" Hinkley

Hink is an old man at the game. All-state high school center in 1921. Center on the Fresh team in 1922. Varsity center last year. His speed and aggressiveness have given him a lot of recognition.

Merrill J. "Pure" Bunnell

End on the varsity, 1922. Guard the last part of last year. "Pure" has gone into higher social and political circles and is now student body president. His playing is characterized by light, and light.
